#### PRESIDENT'S MESSAGE

It's spring and hope springs eternal, but our branch is also mourning the loss of three long time members, Judy Block, Grace Mueller, and Jennie Pennington. Each woman brought a unique presence and skill set to our branch and they will all be sorely missed.

Please use this time to reflect on what you can do to enrich our organization and what you can do to enhance our already rich palette of programs and activities. We are all dependent on each other's uniqueness and willingness to participate to maintain the vitality of our wonderful AAUW Branch. Let's do this as a gift to ourselves and as a tribute to the three members who are no longer with us.

In addition, I am asking each of you to do two specific things: First, make an effort to come to our General Meetings and bring someone new along with you! Second, consider participating in a new Study or Interest Group. Our groups provide camaraderie while exploring interesting topics. In other words, use what our branch has to offer you as an opportunity to grow. Certainly, Judy, Grace and Jennie enriched our organization by their contributions. *Eleanor Aronstein*

## **Visiting the Charlton School**

The Charlton School was established in 1895 as an orphanage. In 1954 is became a residential treatment center for girls. Today, Charlton deploys the most modern and evidenced-based treatment and educational approaches available to help girls who are struggling to be successful in school and life. The School offers many programs designed to help students develop a wide range of educational, emotional, and social skills, and the knowledge and confidence to apply them to all aspects of their lives—now and in the future.

Charlton's animal care program is an important part of the overall treatment program. Students nurture and care for a variety of domesticated animals (horses, chickens, etc.), which strengthens, esteem and facilitates their growth and healing. Students also experience privilege, responsibility, and the personal reward of success. The riding program has opened up a new world of learning and responsibility for many of the students. Students learn about relationships and commitment while caring for the horses and they experience the joy of riding.

Jennie Pennington, who served on the Board of the Charlton School, coordinated this event for us.

## **Nominating Committee Report**

#### 2016-2017

Robin Eddy and Bobbi Richardson, chairs of the Nominating Committee, are pleased to present the following slate of officers for 2016-2017. They were endorsed by our AAUW-Schenectady board in March.

### Niska-Day Plant Sale – May 21

Niska-Day will once again be held at Craig School, Niskayuna. Start thinking about digging plants and potting them up for our sale. The plants do much better if they are potted in clumps at least 3 weeks prior to the sale so they are well established.

## **Spring Garage Sale – June 4**

A spring garage sale will again be held at Maxine Borom's house on June 4<sup>th</sup>. For this to be a success we need items to sell. In the past two years the sale has made \$800 – per sale. One item that has been in very short supply is books. These are always a big seller and we

have had very few in these past two sales. Remember that all unsold books are donated to the library. Arrangements can be made with Maxine (370-2662) to drop off items at her house for the sale. Thank you for your support. ~ Pat Terry

### What do your annual dues support?

By Edwina Frances Martin, Esq., AAUW-NYS President

When you pay your annual dues, a portion goes to AAUW national, a portion goes to the state, and a portion goes to your local branch. AAUW national is the national voice for AAUW, promoting the mission, vision and goals of AAUW on a national level, and providing support to members and branches through leadership, grant and scholarship programs and funding. AAUW-NYS provides support to its local branches to promote AAUW, raise visibility, provide community leadership, and attract new members dedicated to the mission of AAUW. At the local level, members live the mission of AAUW and are the lifeblood of the organization – giving local scholarships, collaborating with like-minded organizations to address critical community needs, and providing leadership in their local communities on issues of importance to AAUW. Your annual dues support:

#### A partial list

The lobbying, public policy and research work of the national office, including in 2015-16:

- Fighting for women's rights recent work includes addressing sexual assault on campus;
- Promoting STEM careers for young girls and women;
- Advocating for Pay Equity;
- Producing the report <u>Solving the Equation: The Variables for Women's Success in Engineering and Computing</u>, which takes a closer look at the STEM fields where the jobs are but women aren't;
- Lobbying for Reauthorization of the Elementary & Secondary Education Act (ESEA);
- Producing a New Toolkit for Title IX Coordinators;
- Lobbying for the STEM Opportunities Act of 2015 (H.R.467); and
- Continued advocacy on issues such as the <u>Gender Wage Gap, Work-Life Balance, and Economic Justice</u> (i.e., the Paycheck Fairness Act, increasing the Minimum Wage, Paid Family Leave and Paid Sick Days, Health Care and Reproductive Health, and Decreasing Student Loan Debt).

(There are more – to be continued in future newsletters)

The combination of national, state and local work is what makes being a member of AAUW so powerful and special – we are truly the change makers of our communities and our nation!

## Quote of the Month

"Supreme Court Justice Ruth Bader Ginsburg said that she is often asked how many women on the Supreme Court would be "enough".

Her answer: "When there are nine. For most of the country's history there were nine and they were all men. Nobody thought that was strange." She explained.
